

Unity Surgical Health Plan

Keeping you and your family in life-long good health.

No other organisation champions the health needs of New Zealanders and their families like us. We genuinely care about our members, who are the owners of our health society.

Care is what sets us apart. It is, and will continue to be, the heart of the experience we provide. We take care to the next level.

This is why more than 100,000 Kiwis trust us to care for them.
