

Premier SurgicalCare Health Plan

This Health Plan document and Definitions should be read in conjunction with UniMed's Terms and Conditions.

List of benefits

We will pay up to \$500,000 in total for all claims relating to a single health condition (excluding spinal conditions) after deducting the excess. A standard excess of \$750 per claim will apply to all claims except where this excess is replaced by a higher excess selected by you.

MEDICAL TREATMENT AND PROCEDURE COSTS

You are insured for the reasonable charge of any health condition adversely affecting you that arises and is treated in New Zealand, unless excluded under UniMed's Terms and Conditions

- diagnostic procedures
- pre-operative services
- approved surgical procedure(s)
- post operative services; for any health condition adversely affecting you that arises and is treated in New Zealand.

SPINAL SURGERY

This benefit covers the costs of spinal surgeries. A list of all spinal surgeries which fall under this benefit can be found on the Approved Surgical Procedure list under Important Documents on our website.

Per Policy Year
15,000

TRANSFER COSTS

If you require transportation by air or road ambulance, to or from a private hospital in New Zealand for surgery, we will pay the costs of that transportation.

TRAVEL AND ACCOMMODATION COSTS FOR SUPPORT PERSON

If

- you require surgery in a hospital in New Zealand outside your district, and
- a doctor recommends that a support person travels with you and stays with you during surgery, we will pay your support person's reasonable travel and accommodation costs.

OVERSEAS TRANSPLANT SURGERY COSTS

We will pay your Reasonable surgical and travel costs if you require transplant surgery and

- suitable surgical procedures are not available in New Zealand, and
- a specialist recommends transplant surgery at an Australian hospital.

PUBLIC HOSPITAL GRANT

We will pay you a Public Hospital Grant when you have surgical treatment in a Public Hospital (other than for personal injury by accident or as a fee paying patient) and stay in hospital for 24 hours. We will pay you \$200 per 24 hours for up to twenty consecutive nights per policy year.

MENTAL HEALTH

This benefit covers the costs of reasonable charges for consultations with a psychiatrist, psychologist, psychotherapist or counsellor up to \$1,000 per person per policy year.

They must be registered either under the psychiatry scope with the Medical Council of New Zealand, as a psychologist with the New Zealand Psychologists Board, as a psychotherapist with the Psychotherapists Board of Aotearoa New Zealand, or as a counsellor with the New Zealand Association of Counsellors or other relevant association.

Loyalty Benefits

STERILISATION

Following two years of continuous cover on the Premier SurgicalCare health plan, we will pay for a sterilisation procedure.

OBESITY SURGERY OR BREAST REDUCTION SURGERY

After five years' continuous membership in the Premier SurgicalCare health plan. A one time grant is payable of 50% of actual costs up to \$8,000.

For Breast Reduction Surgery, an underlying medical condition must apply. Excluding removal of implants or cosmetic reduction.

PROPHYLACTIC SURGERY

After five years' continuous membership in the Premier SurgicalCare health plan. A one time grant is payable up to \$40,000 for a prophylactic mastectomy and/or bilateral salpingo-oophorectomy due to an increased risk of cancer due to a genetic mutation or family history.

Eligibility criteria applies to claim for this benefit, which can be found in the Claims Documents section under Important Documents on our website. Breast reconstruction is not included under this benefit.

BOWEL SCREENING KITS - EXCESS DOES NOT APPLY

After three years of continuous membership in the Premier SurgicalCare health plan, this benefit provides you with access to an at-home bowel-screening kit every three years. Visit the Members section of our website for terms of the benefit and information on how to access these. Children do not qualify for this benefit.

Definitions

Where the following words or phrases appear in the Health Plan document their meaning is defined as below. This list of definitions should be read in conjunction with UniMed's Terms and Conditions.

Diagnostic procedures means any tests carried out by a specialist or specialised technician using diagnostic equipment to identify the health condition required to be treated or clarify the outcome or extent of the health condition.

Health condition means any injury, sickness, illness, disease or physical abnormality unless excluded under UniMed's Terms and Conditions.

Membership Certificate means the confirmation provided to you giving details of your surgical insurance.

Nursing care means nursing services at your home or in a convalescent home provided by a registered nurse to assist your recovery within two months of surgery.

Post operative services means post operative specialists consultations and diagnostic procedures undertaken within six months after surgery.

Pre operative services means consultations with a specialist in connection with subsequent surgery not more than six months before surgery.

Specialist means a person registered as a specialist under the Medical Practitioners Act 1995 or any amendment or any statutory provisions passed in substitution.

Surgical treatment means any surgery performed by a specialist including any prostheses, anaesthetics and private hospital services in connection with such surgery.
